

Bread of Life

Emmaus Community

Dear Pilgrims,

*Our thoughts and prayers are w
you as you "travel to Emmaus".*

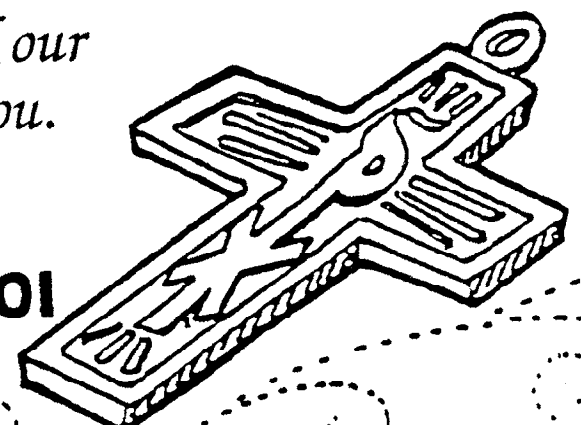

May your pathway be strewn with -

- the flashing gold of grain, the harvest of
your hopes and dreams*
- the unending blue of God's limitless sky
drawing you nearer to Him*
- the emerald carpet of our Earth-garden,*
- the rose of the new dawn in your hearts
as you reach out to Jesus -*

*We send these,
the rainbow hues of our
Love and Joy for you.*
