

**Dear Pilgrims, Greetings from Hong Kong.
Our thoughts and prayers are with you all this week end.**

We believe

*We believe in the spirit
who came with Jesus into the world,
in the community of all nations
and in our responsibility
for what will become of our earth,
a valley of misery, starvation and violence
or the city of God.*

*We believe in just peace
which can be achieved
in the possibility of a meaningful life
for all people
in the future of this world of God.*
