

*Kanawha Valley Emmaus  
and Chrysalis Community  
in West Virginia*

*Once two disciples were walking down the road;  
They were feeling mighty down and out.  
Their hopes were all dashed about;  
They were full of fear and doubt.*

*When all of a sudden, along came a Stranger,  
They didn't even catch His name.  
But since He came walking  
Their lives have never been the same*

*When two or more disciples will come and walk together  
And fellowship in Jesus' name,  
They'll feel the Holy Spirit's flame,  
As His saving grace they proclaim.*

*So come join me sisters and come join me brothers  
There's room enough here for you.  
And when we break the bread  
I'll pray that you will see Him too!*
